

# WHAT IS YAMUNA KHIMTSANG?

Yamuna Khimtsang is a Section 8 non-profit organization in India that focuses on animal welfare, particularly community dogs in Majnu Ka Tila Tibetan Colony, Delhi.

Established in 2015 and incorporated in 2024, the foundation has gained the trust of the local community and raised awareness about the importance of caring for community dogs to prevent human-animal conflict and the spread of infectious diseases.
